ROYAL BANK ANNOUNCES CHANGE IN MANAGEMENT

G.W. McLaughlin

F.T. Neil

The Royal Bank of Canada announced last week the transfer of Mr. G.W. McLaughlin to Terrace, B.C. He will be succeeded as manager of the Drayton Valley branch by Mr. F.T. Neil.

Mr. McLaughlin, who has managed the local branch for the past 3½ years, will leave on February 24th to take up his new duties. Mrs. McLaughlin and their three boys will join him at Terrace in the latter part of March.

Mr. McLaughlin is looking forward to his move to Terrace which is located in Northwestern B.C. between Prince George and Prince Rupert. It is a thriving community with its economy based largely on logging, mining and tourism.

Mr. Neil joined the Royal Bank in Lipton, Saskatchewan in 1947. Since then he has held positions throughout Alberta including Camrose, Lethbridge, Brooks, Evansburg and Edmonton.

Mr. Neil is married and has three children.

Legion Officers Installed

At a ceremony in the Legion Hall Sunday evening officers for the ensuing year for the local branch of the Royal Canadian Legion and Legion Auxiliary were installed in office. The ceremony was conducted by Mr. Austin Clark of Hinton, District Commander and Mr. Steve Craddock of Edson, Zone Commander. Members of the Legion executive shown in the above picture are: Back row, left to right: Gordon Stanton, Tommy Sheild, Jake Berg, Jerry Donovan, Roy Wills, Bill Johanneson, Bill Cochran, Jim Dean, President. Front row, left to right: Steve Craddock, Zone Commander, Austin Clark, District Commander, Lester Miller and Ken Wardlow.

NEW BOOKS AT LIBRARY

If you enjoy reading there must be something for you in recent additions to the municipal library book stock. Does your interest turn to Biography? We have "Canadian Profiles" by George Lonn and "Golden People" by Paul Gallico. E.R. Braithwaite, author of the stirring "To Sir, With Love," has just brought out "Choice of Straws." For A factual account of the early days try Wyman's "Nothing but Prairie and Sky." Nature lovers will like Edwin Way Teale's "Wandering through Winter." "In Cold Blood," a true account of the murder of a family is definitely not for the nervous. Eva McDonald has made a valuable contribution to the field of the historical novel with "The Reluctant Bridegroom" the story of William and Mary and of their becoming sovereigns of Britain. We have "The Rabbie" by Noah Gordon which has been receiving so much attention in the book reviews of late. Don't overlook "How to Become a Bishop without Being Religious." Written by a United States Methodist minister it is a gentle spoof about what the layman expects of the clergy. It is hoped that this short appetizer may have whetted your appetite to the point where you will come in and sample the entrees.

EIGHT BASKETBALL TEAMS ENTERED

Tournament This Weekend

The second annual FMHS Warriors basketball tournament will be held this Friday night and all day Saturday with 8 teams competing for the Lions International Challenge Trophy. The first game will get underway at 7:00 p.m. Friday with Warburg playing Seba Beach. The second game of Friday's double bill will be followed by the local Warriors playing Thorsby. Saturday morning contests will be between Stony Plain and Evansburg at 10:30 a.m. and Hinton and Breton at 12 noon. The Friday night games will be followed by a record hop.

Ten attractive trophies will be up for grabs. Five all star, the Lions tournament trophy with replica, cheerleading trophy and a trophy for the second and third place finishers. For basketball fans this should prove an event long to remember. Tournament passes are on sale for a dollar until Friday afternoon - these consitute a savings at half price for $1.00.

COMMITTEE HEADS NAMED AT CHAMBER EXECUTIVE MEET

At a breakfast meeting of the executive of the Drayton Valley Chamber of Commerce last Thursday more committee chairmen were selected to join those named at a general meeting earlier.

Those appointed at the general meeting included Keith Peterson, Klondike Kampers Karnival; Karl Degen, Agricultural; Bill Johanneson, Membership; Tom Johnstone, Industrial Development; and Bob Cowan, Education. Named to join them at the executive meeting were: Fred Raven, Program; Harry Zolmer, Tourism and Publicity, R. Smith, Civic Affairs; and Jack Bright, Highways and Transportation.

Still to be named is a chairman for the Commercial and Retail Committee.

It was reported to the meeting that the community of Tomahawk was being changed from operated to dial telephone system. It was decided that as many residents of the area shop here an effort be made to have the Tomahawk phones hooked into the Drayton Valley system to avoid long distance charges in phone communications between the two communities.

It was reported that a shopping survey of Drayton Valley would be undertaken to determine the feelings of people shopping in the town and possibly come up with suggestions to increase the attraction of shopping in Drayton Valley.

WOMEN'S INSTITUTE HOLDS MEETING

The January meeting of the Women's Institute of Drayton Valley was held in the library with 10 members present. Mrs. Rees and Mrs. Ginger Bengston attended as guests.

During the meeting used Christmas cards were collected for use at the Charles Camsell Hospital in Edmonton. Children's clothes were donated to the Unitarian Service Committee. The sewing and handicraft entries were discussed. A committee for the annual Drayton Valley flower show was elected.

After adjournment of the meeting Inez Oscar supplied some entertainment and a very delicious lunch was served by Crystal Dusterhoft.

The next Women's Institute meeting is to be held at the library at 8:00 p.m. on February 21st.

H.S.A. MEET CANCELLED

It was announced that the regular monthly meeting of the Drayton Valley Home & School Association planned for Wednesday, January 26th has been cancelled.

Home and School President, Bob Cowan, in advising the Western Review of this indicated that, in view of the uncertainty of the present weather conditions, it was difficult to arrange for a suitable speaker when a cold evening could mean an almost negative turn-out.

At the same time, Mr. Cowan said that the Association hoped that the membership as a whole and particularly the parents concerned would support the Students' Council in their Careers Night programme slated for Wednesday evening, February 16th at the Frank Maddock High School.

WARRIORS STILL UNDEFEATED

The FMHS Warriors won their fifth straight league contest last Friday night when they downed a vastly improved Winfield team 67-32. Jim Cathrea again led the Warriors with a 31 point performance. Larry Metelski and Allan Mattoon added 10-9 points respectively. For Winfield, Gary Mathews played a strong game to scoring 14 points. Ken Bills, a new addition to the Warrior team showed some strong outside shooting for 8 points.

The Warriorettes under the guidance of Archie Stroh won their third consecutive league contest by downing the Winfield girls 29-11. Sheila Muzylouski turned in the top scoring effort of any Warriorette team as she hit for 24 points. Cherryl Smith continued to turn in a strong effort for the FMHS girls. With the boys tournament slated for next week the girls will have a week's layoff before resuming competition.

PANEL DISCUSSES BENEFITS KINDERGARTEN TRAINING

The effect of kindergarten training on a child's adaptation to school life and progress was considered in detail at a panel discussion held last Thursday evening in the Council Chambers.

Using as its theme, "This Hour Has Five Days," the discussion was started in the usual Sunday evening T.V. manner with a song by Mrs. Joan Strachan.

The panel of parents included Mrs. Kay McLeod, Mrs. Shirley Machan and Mrs. Keitha Morrison. Across the table was a panel of kindergarten teachers that included Mrs. Joan Findlay, Mrs. Julia Willner and Mrs. Joan Strachan. Moderator was Mrs. Betty Mosdell.

In answering questions from the parent panel the teachers expressed the importance of pre-school training in enriching the lives of youngsters. Kindergarten, they said, taught good social behavior and prepared children to advance in the first grade. Activities in kindergarten are aimed at self expression by the child.

Kindergartens in Alberta, it was pointed out, are under the control of the government and teachers must be qualified and licensed. All must adhere to prescribed fire and health regulations.

Nine percent of Alberta children attend kindergarten and in one or two communities the pre-school classes are a part of the school system. It was pointed out that the value of kindergarten training was recognized in Nova Scotia where attendance at pre-school classes is compulsory.

Exerpts from a Calgary report were read which indicated that attendance at kindergarten helped grade one students to achieve better averages.

KEEP AWARDS IN MIND

The Western Review extends congratulations to Calgary Power Company which announces this week the launching of the 5th annual Junior Citizen Awards program. The awards, sponsored by Alberta's electric utility companies, recognize outstanding achievements by young people of this province and reveals to readers of Alberta weeklies acts of merit that might otherwise go unnoticed.

We ask that readers of this newspaper keep the awards program in mind and don't hesitate to contact the editor when a nomination is considered. The editor of this paper would be extremely pleased to work with residents in gaining recognition for deserving young people anywhere in the area served by The Western Review.

Bear in mind also that it need not be a deed of heroism to win an award -- any achievement of note -- community or civic service above and beyond that expected of younger citizens could win an award and a Canada Savings Bond for a young person or organization.

CLASSES START NEXT WEEK

The Drayton Valley and District Chamber of Commerce advises that there are still a few vacancies in the photography classes which start on Monday and Thursday evenings of next week and that enrollment for these classes will be closed off at midnight on Saturday, January 29th.

Those interested in taking the class should contact Bob Cowan at 542-3990 (Business) or 542-3265 (Residence) as it is not anticipated that any further courses in this subject will be held.

It is also planned to combine the windup of these classes with that of the two current Bookkeeping Classes at a banquet to be held on February 28th.

TOWN OF
DRAYTON VALLEY

Why wait for spring?

do it now!

In winter, men are available. Materials are available. And special off-season discounts are often available. So, doesn't it make a lot of sense to have those repairs and renovations done now. Not simply construction and building jobs—but things like having the lawnmower fixed and the screens mended; having the drapes cleaned and the rugs shampooed; having the furniture re-upholstered and the electrical appliances repaired. All jobs which can call for a long wait come Springtime—but which can be handled quickly, efficiently and easily during the winter season. What's more, government-sponsored, low-cost Home Improvement Loans are available through your bank, to assist you in carrying out all kinds of renovation jobs you've been meaning to do—up to $4,000 with up to ten years to repay!

No doubt about it—winter is the best time to spruce up your home or place of business. Do it now!

Everybody benefits when winter work is increased

HOW TO SURVIVE WHEN TRAPPED IN A MULTI-STORY BUILDING FIRE

HIGH-rise, or multi-story buildings, are on the increase. There is a major hazard (that of being trapped) in these buildings. This is a challenge to all fire service personnel. Directors of the U.S. National Aeronautic and Space Agency are giving, to all their members who have to travel (and therefore use high-rise hotels), specific survival instruction. Fire chiefs should publicize these instructions.

The ten quick reminders of survival techniques of the NASA are

1. Upon entering familiarize yourself with all exits.
2. Do not block exit doors open at any time. An exit door is designed for quick exit and to hold back smoke, hot gases and fire.
3. In case of fire, never panic. Notify desk or fire department.
4. Evacuate if possible.
5. In case exits are unavailable or inaccessible due to heat and smoke, stay in room, close all doors and windows.
6. (a) Seal around door, bathroom fixtures, and vents with wet towels, sheets, rags, clothing, etc.
   (b) Seal around electrical fixtures with dry material. Seal all places where smoke enters room.
7. (a) Should air in room become unbreathable, open window from top or break top panes and remove screens to allow smoke and hot gases to escape at upper level. Then:
   (b) Open window approximately four (4) inches at bottom, cover body with wet sheet or blanket and seal off breathing space at bottom of window.
8. Listen for instructions from rescuers.
9. Use improvised ropes as final effort and only after checking rope for strength and knots for safety hitches. Be sure end of rope leads to safety.
10. If you have a choice in room selection, remember that, as a general rule, the upper floors are the most hazardous. — **FIRE FIGHTING in CANADA**

Too Many Hogs Over-Finished

Fat, over-finished, excess fat, fat plus -- these are the terms pig producers hear most often when their animals fail to fall into the A grade category.

About 45 per cent of Alberta's total hog production grades B, says A. Reddon, Livestock Supervisor with the provincial Department of Agriculture. Possibly, with current high prices the loss of a few dollars as a result of over-finish does not appear to make much difference, but the spread is approximately $4.50 per hog between the A and B grades, regardless of the price.

When the Canada Department of Agriculture periodically surveys the reasons for hog carcasses being downgraded, results show that about 90 per cent of the B grade animals could have graded A if they had had less finish, says Mr. Reddon. This means that 41 out of every 45 hogs in each 100 could be added to the percentage of A grades.

Mr. Reddon points out that marketing weight is another significant factor in hogs missing the A grade. Approximately 25 per cent of all B hogs are either over or under the weight range of 135 to 170 pounds required for an A grade carcass. This means that hogs should be marketed between 185 and 215 pounds liveweight, with the ideal marketing range being 190 to 200 pounds.

Although there is still plenty of room for improvement, Alberta farmers have doubled their percentage of A grade carcasses in the last seven years, says Mr. Reddon. In 1963 and 1964 the number of carcasses grading A was between 36 and 37 per cent, compared to a Canadian average of slightly more than 38 per cent. This year there is every indication that Alberta's average will be over 40 per cent A grade carcasses.

It is interesting to note, says Mr. Reddon, that Alberta stands second to Ontario in her number of hog marketings and she exceeds the combined marketings of British Columbia, Saskatchewan, Manitoba and the four Maritime Provinces.

If you gathered Canada's total water area and made one lake, you could sink Alberta in it.

Cooking Magic

For those bridge party finales that will be coming up here are a few suggestions.

Caribbean Lobster Salad

6 8 oz. size frozen rock lobster tails or 3 cans lobster tails
½ tsp. salt
1 8 oz. bottle Italian style salad dressing
1/3 cup mayonnaise
½ tsp. soy sauce
Dash pepper
Dash Cayenne
1½ cups fresh pineapple wedges or
1 can pineapple chunks, drained (1 lb., 4½ oz.)
1½ cups sliced celery
Salad greens
6 lime wedges

If uncooked lobster tails are used, bring 3 quarts water to boiling. Add unthawed lobster tails and 2 tsp. salt; return to boiling. Reduce heat; simmer covered 10 minutes. Drain and cool. If tinned lobster is used start here. Remove lobster meat in one piece; cut into 3/4 inch pieces. In medium bowl, toss lobster with salad dressing, coating well. Refrigerate, covered at least 30 minutes, stirring occa-occasionally. Drain, reserve dressing. In large bowl, combine mayonnaise with soy sauce, pepper, cayenne and ½ tsp. salt; blend well. Add lobster, very well drained pineapple and celery, mixing gently. Mound lobster salad in shells. Serve on greens, tossed with reserved dressing. Garnish with lime wedges.

Noel Shrimp Bake

1 can mushrooms
1/4 cup butter or margarine
2 cups canned or cooked shrimp
2 cups cooked rice
1 cup chopped green pepper
1 cup chopped onion
½ cup chopped celery
1/4 cup chopped pimento
3/4 tsp. salt
2½ cups tomatoes, drained (#2 can)
½ tsp. chili powder
½ cup butter or margarine melted

Cook mushrooms in 1/4 cup butter until brown. Combine with shrimp, rice, green pepper, onion, celery, pimento, tomatoes, salt and chili powder. Pour the ½ cup butter over, cover and bake on thermostatically controlled top burner at 250°F. for 20 to 25 minutes.

Strawberry Dream Cake

1 pkg. white cake mix
1 pkg. strawberry jello
2 tbsp. flour
3/4 cup cooking oil
4 eggs
½ cup water
½ box frozen strawberries, thawed (10 ozs.)

Mix cake, jelly, flour, eggs, water and beat at medium speed for 2 minutes. Add strawberries and juice and beat 1 minute. Divide into 2 greased and floured 8 inch square pan. Bake at 350°F. for 35 to 40 minutes. Cool 10 minutes. Remove from pan. Cool and frost with strawberry frosting.

Strawberry frosting

½ cup butter
1 lb. icing sugar
½ box strawberries
½ tsp. vanilla

Mix all together and beat until smooth.

Cranberry Cake Roll

1 pkg. angel food cake mix or 1 pkg. orange chiffon cake mix

Filling (for 1 roll):

1½ cups light cream
1 pkg. vanilla instant pudding

Frosting (for 1 roll):

2½ cups sifted icing sugar
1/4 cup ground raw cranberries
1½ tbsp. lemon juice
4 tbsp. butter or margarine
3/4 tsp. grated lemon rind
Dash salt

Prepare angel food or chiffon cake mix according to package directions, and bake in 2 jelly roll pans, 15x10x1 inch each. Prepare filling and frosting for one roll at a time for easier handling. Prepare Filling: Pour light cream into medium sized mixing bowl. Add instant pudding. Beat slowly with egg beater just until well mixed, about 1 minute. Let stand until set, about 5 minutes Chill about 1 hour. Prepare Frosting: Combine 1/4 cup sugar, cranberries and lemon juice; let stand about 30 minutes to dissolve sugar. Cream butter or margarine, add grated lemon rind and salt. Add remaining sugar alternately with cranberry mixture, beating well after each addition. Makes 1½ cups. Spread cooled roll with vanilla filling; roll; frost. Chill about 1 hour before serving.

Pineapple Jewel Squares

1 cup fine graham cracker crumbs
2 tbsp. sugar
1/4 cup butter or margarine melted.
1 cup crushed pineapple
1 3 oz. pkg. orange flavored gelatine
1 1/4 cups boiling water
1 4 oz. pkg. cream cheese, softened
3 tbsp. sugar
½ tsp. vanilla
1/4 tsp. grated orange peel
1 cup dairy sour cream

Mix crumbs, 2 tbsp. sugar and the butter; press into bottom of an 8x8x2" baking dish. Chill. Thoroughly drain pineapple reserving ½ cup syrup. Dissolve gelatine in boiling water. Add pineapple syrup. Cool. Blend cream cheese with sugar, vanilla and orange peel. Gradually blend remaining gelatine into cream cheese mixture; stir in sour cream. Pour into crust: Chill until firm. Spoon pineapple mixture evenly over cream cheese layer.

LOCAL RINKS ATTEND 'SPIEL

Three rinks from the Drayton Valley Royal Canadian Legion participated in the Annual Mixed Bonspiel held this year at Jasper on January 15th and 16th. Thirteen rinks from Edson, Hinton, Drayton Valley and Jasper took part in the 'spiel.

The Drayton Valley teams came home with prizes. The Griffith and Muzylouski rink came 1st in C event; Johanneson and McCullagh, 2nd in A event and the Cochran and Burrows rink 2nd in C event.

Congratulations on the fine curling performances by the local rinks.

D.V. HIGHLIGHTS

By Edith Deby

Best wishes for future happiness are extended to newly weds, Mr. and Mrs. Raymond Levne.

The annual Parish meeting for All Saints, Drayton Valley, will be held in the parish hall on Thursday, January 27. The meeting will open with a pot luck supper at 6:30. All members of the parish are invited to attend.

Mrs. Herman Hardikkpf was injured in a fall recently and is in serious condition in the local hospital.

Mr. William Chisholm has disposed of his business interests in Vancouver in order to accept a position with Cardwell Supply Co. Ltd. in Calgary and expects to move by the end of January.

Friends are sympathizing with Ian Hoyland who has a broken leg.

Whatever happened to the Lodgepole News last week, Mrs. Norquay? I missed it.

This week the talk is of "The Golden Goose" being presented by the Drayton Valley Players. Although of special interest to children, adults will love it too.

Mr. and Mrs. Art Dixon will leave soon to live in Calgary. Mr. Dixon is with Wardean Drilling. The Dixons have purchased a home on Willow Park Drive in Southeast Calgary. Their contributions to the life of our community are too well known to require enumeration. Their going will leave a gap that will take some time to fill.

The seed catalogues have begun to arrive so surely it is not too soon to talk of the Women's Institute's Flower Show. The show is always held on the third Wednesday in August. It is hoped that council will again sponsor the front and back yard competitions. Later prize lists will be available to the public. As you prepare your seed order would you like to pay special attention to flowers mentioned on the prize list? These include asters, calendulas, dahlias, gladiolas, marigolds, nasturtiums, pansies, petunias, roses, stocks, snapdragons, sweet peas, zinnias and houseplants.

Mr. and Mrs. Hernett Gougie have been transferred to Valleyview.

Mrs. Jules Gagne will attend the wedding of her sister, Miss Darlene Gawryluik to Mr. Michael Ryezak in Theodore, Saskatchewan on February 12th.

Mrs. Pearl Robinson will leave soon for a visit with her son and daughter-in-law, Mr. and Mrs. Donald Robinson, in Grande Prairie.

Mrs. Albert Hodgson entertained on January 17th with a bridal shower for Miss Connie Johnson. The Misses Vera, Verna and Betty Hodgson assisted their mother with serving and in entertaining. The guest of honour was seated in a chair over which was suspended an umbrella. At the appropriate time the umbrella opened literally showering the bride-to-be with some of the softer, unbreakable gifts.

Mrs. Kenneth Klevin has returned from Abbotsford where she has spent the last ten days with her sister, Mrs. Percy Hatton, following the latter's bereavement.

Best wishes go to Mr. William Beckett on the occasion of his sixty-ninth birthday.

Walter Lainchbury sustained painful injuries to his mouth when the cable on a piece of heavy equipment broke and hit him in the face. Walter has been working in the Fort McMurray area this winter.

Mr. Kynoch is in the local hospital and Mrs. Kynoch in hospital in Edmonton. Each has had an operation. It is hoped that they are both feeling well soon.

Eugene Urchyshyn is out of hospital at present but will have to return for further treatment later on.

The annual meeting of the Violet Grove Community League was held in the Violet Grove Hall on Tuesday, Jan. 18th. Attendance was not good due probably to the weather which was also not good. New officers elected were, Mr. E. Hines, President; Mr. Wilson, Vice-President and Mrs. Wilson, Secretary-Treasurer. It was decided to attempt to have more dances and other social affairs in the very excellent hall which the community league manages. This hall may be rented for social affairs to other persons or organizations for a very reasonable fee. Arrangements may be made by telephone with Mrs. Pequin of Violet Grove.

Announce Contest Winners

A very successful drawing and colouring contest has just been completed by the children of Grades I to VIII. The theme of the contest was The Golden Goose, the children's theatre production to be seen this Friday and Saturday. The Drayton Valley Art Club judged the entries and the Hudson's Bay Company provided prizes for all the winners. The winning entries may be seen on display in the Hudson Bay Store.

The following is a list of the winners of the contest. Grade 1, 1st, Karen Samborsky; 2nd, Debra Dargatz; 3rd, Jari Anne Horne. Grade 2, 1st, Ellen Sigurdur; 2nd, Normen Obst; 3rd, Claire Marie Teleford. Grade 3, 1st, Craig Wronko, 2nd, Brenda Hanse, 3rd, Danny Chow. Grade 4, 1st, Rita Saulier, 2nd Shirley Lockart, 3rd, Claire Duperron. Grade 5, 1st, Antoinette Krabbe, 2nd, Coleen Bengston, 3rd, Susan Hagman. Grade 6, 1st, Lynne Hurley, 2nd, Bernard Parenteau, 3rd, Cindy Sharkey. Grade 7, 1st, Charlotte Parenteau, 2nd, Joanne Bellward, Grade 8, 1st, Dianne Serenas, 2nd, Tina Wong and 3rd, Donna Wagner.

LODGEPOLE NEWS

Mr. Ed Rosentreter left for the North country for a couple of weeks. He left by plane from Edmonton last week and will be working for Pan American in the Fort MacMurray area.

Mrs. T. Riopell is back in Lodgepole. Her husband is working in Lloydminster but they could not find a house to live in there.

Mr. Harold Day has moved up North to work for Andersen's Oil Company. His wife and family left on the bus Friday and Jensen's Transport moved their household goods. I'm sure everyone wishes them good luck.

Activities Planned at Auxiliary Meeting

The regular monthly meeting of the Drayton Valley Hospital Auxiliary was held on January 13th, 1966. There were fourteen members present.

Last month the auxiliary purchased an artificial Christmas tree for the hospital. An electric clock has been bought for the waiting room of the hospital.

There will be a bake sale at the Bay on Tuesday, February 8, 1966 from 2:00 p.m. to 5:00 p.m.

A rummage sale is being planned for in March. Anyone having anything they wish to donate may contact Mrs. Ida Cross at 542-3952 or Mrs. Romano at 542-3509.

The next meeting of the hospital auxiliary will be held in the nurses' residence on February 10, 1966 at 8:00 p.m. Members are reminded to try to bring a guest or guests to the next meeting.

The Alcoholism and Drug Addiction Research Foundation estimates, conservatively, that there are 230,000 alcoholics in Canada.

Curling News

In the Brier Playoffs, Archie Griffith with Dome Petroleum Ltd. and his rink of Ken Ewoniak of Cities Services Petroleum Corp., and Ron Meier and Ken Hubeniuk of Flectrical Contractors, won the right to represent Drayton Valley over the past weekend. They had to come from the short end of the stick to upset Allan Small of Cynthia twice. Both games were tied after regulation ends but Griffith with last rock, won the first game and without last rock, won the second game. The rink will journey to Stony Plain next weekend to compete with 10 rinks for the right to represent Zone 16 in the sixteen zone playoffs later on this month in Edmonton.

Local playoffs for the rink that will represent the Drayton Valley area in the Massey Ferguson Curl-o-rama will be played at the Club on Wednesday and Thursday of this week. At present there are four rinks registered for the playoff and more are expected before the first draw gets underway at 8:30 a.m. on Wednesday morning. Jerry Toews of Big Country Machinery stated that all qualifying curlers must be bonfied farmers.

This weekend will also see the team that will represent this district in the Elk's playdowns leading up to the Corby Cup. The local lodge is hoping for some six rinks to be competing for the right to represent this district. Exalted Ruler, Ed Litke, hopes that the curling fans will turn out in numbers to give the local team a boost in the playoffs.

League curling has been as active as ever with rinks showing up for all games and little trouble with defaults.

In Section "A" Gary Bannard and Lorne Nelson are leading with 8 points each. There are three rinks close on their heels. Shearer with a fast start has run in to some trouble. Fiveland is still in contention.

In Section "B" it looks like a two team race for top spot, as Billy Rose and Howard Cathrea are undefeated with ten points apiece. They will meet in the last draw of the schedule.

Section "C" finds Jim Streit and Al Casey with only one loss each. These two teams have yet to meet in regular league play.

Section "D" with Wes Rowles leading the pack and Jim Bell close behind. Wes has had things fairly rough up to now but seems to have his rink doing the things he would like them to.

The draws in the mixed league are nearly completed for this square and will be redrawn for next week. At present Archie Griffith and Grant Campbell are leading the "E" section and Matt Leake and Phil Murray are pacing the way in "F" section

This week the Club would like to tip their hat to Archie Griffith, one of the greater supporters of the Drayton Valley Curling Club. For the past nine years Archie has driven some 25 miles each curling night to be here for the draws. Not only this, but you find him here for almost every scheduled draw. He curls on the average of four games a week so this amounts to some 200 miles of traveling for curling per week. This has paid off as he has represented the Legion in their district playdowns. Last year he won them to go into the Northern Alberta Playdowns. This year he won the right to represent Drayton Valley in the Consol Brier Playoffs in Stony Plain. The Club would like to wish them well in the upcoming playoffs.

HIGH SCHOOL NOTES

On January 21st, 1966, the general assembly was held. Nominations for a new Social Convenor were held. The three girls nominated for the position are Pam Casey, Doreen Van Ember and Carol McGaughy. Former convenor, Marcella Dixon, is leaving for Calgary at the end of January. We wish to thank Marcella for all the hard work, time and effort she has put forth endeavoring to make our social activities successful.

The Annual Basket ball Tournament is to be held January 28th and 29th. The first game will start at 7:00 p.m. on Friday night, with Seba Beach playing Warburg.

A Career Night will be held on February 16th at 8:00 P.m. at the Frank Maddock High School. Speakers will be coming from Edmonton and Drayton Valley to speak on various vocationa. It should be helpful for those looking for a vocation to enter after completing their high school education, and be interesting for anyone else who should like to attend.

The Frank Maddock High School is sponsoring its annual Sweetheart Queen Contest .One girl from each grade is competing for the honors of Queen and shall reign over the Sweetheart Swirl which will be held February 23rd. The contestants are: Grade 12, Pam Casey; Grade 11, Sherry Oliver; Grade 10, Lorraine Lee; and Grade 9, Shirley Vadheim. These girls will receive tickets to sell and the one selling the most willbe crowned Sweetheart Queen.

MOON LAKE NEWS

Mrs. Barbara Schenk
Correspondent

The Pie Social and Whist Drive held by the Millbank F.U.A. Local No. 518 was a big success. Prize winners for the Whist were, Ladies First - Josephine Namchuk and Florence Harrison, a tie score, Ladies Boobie prize - Mrs. Degen and Mrs. Marion Medd, also a tie. Men's First went to George Moroz and Men's Boobie to Mike Namchuk. Mr. Degen got the bidding going at a lively pace.

We hope Thurlough Chambers will soon feel his old self again. Also, Mr. Leo Burki.

Shirley Romanchuk had a nasty fall and cut her head on the door which is healing up nicely now.

We hope Blanche Jensen will soon be walking around spry and free of her arthritis again.

Mr. and Mrs. Pete Ryckis are the proud grandparents of their first granddaughter, born January 12th to Mr. and Mrs. Algird Ryckis and Mr. and Mrs. Harry Wall are her proud Aunt and Uncle.

Mr. and Mrs. Tufti are also proud grandparents when a granddaughter was born to Mr. and Mrs. Tomkiewych on January 16th. Mrs. Dianne Tomkiewych is Mr. and Mrs. Ralph Tufti's daughter.

Mr. and Mrs. Jay Town have 23 great grandchildren and 37 grandchildren which I think must be a record number.

The Elk's annual district bonspiel was held in Edson on January 15th and 16th. The first event was won by the Lorenz rink of Entwistle Elks Lodge which consists of Max Bass, lead, Bill Brett, second, Bill Leske, third and A. Lorenz, skip. The second event was won by the Hanson rink of Entwistle Lodge which consists of Leo Jensen, Lead, E. Messenger, second, D. Deardoff, third and N. Hanson, Skip. The third event was won by the Percy Wells rink of Edson Lodge. There was 21 rinks entered in this bonspiel.

Would anyone having any news items that I could put in the paper please leave them at the Post Office for me? Thank you.

HEALTH UNIT NOTE

Vaccine Program

The Sabin Oral Poliomyelitis Vaccine program which was commenced in 1963 and continued in 1964 and 1965, will again be promoted by your Health Unit in 1966. Most people will recall the Salk Injection Poliomyelitis Campaign which began in 1954 and which has done much to prevent the sorrows and disabilities caused by poliomyelitis. Now, this further protection namely Sabin Oral Poliomyelitis Vaccine is available. Salk Vaccine used alone gives good protection. Sabin Oral Vaccine together with the Salk Injection Vaccine will give a greater protection.

Sabin Vaccine is taken by mouth. It is a pleasant tasting syrup. A small amount is placed on a lump of sugar or on a spoon. When the Vaccine is digested, it helps the body build powerful defenses against paralytic poliomyelitis. A minimum period of six weeks is required between feedings.

There are no plans for booster or reinforcement feedings of Sabin Vaccine at present. A maximum of two feedings per person is the present aim irrespective of the year or years in which the two feedings have been obtained.

The 1966 program therefore, is for persons who have not had any Sabin Vaccine or who have had only one feeding of vaccine. The Salk Injection protection must be adequate before any Sabin Oral Vaccine will be given.

Sabin Oral Vaccine will be available at all regular infant, child and adult health clinics held throughout the area during the whole of 1966. It will now be available to children under five who have had three doses of Salk injection vaccine not four as formerly. It will also be given to school children in school as required.

This Sabin Oral Poliomyelitis Vaccine has been given to millions of people in many countries. Please see that as many people as possible are given the opportunity of this protection.

If in doubt about your Salk injection protection not be adequate, take the first opportunity of having this done. Salk Injection Vaccine is available for all ages at all regular infant, child and adult health clinics.

Funds for Centennial Projects

Mr. J.R.D. Findlay, Centennial Co-ordinator for the Province of Alberta, states that many groups and associations throughout the province are developing ideas for celebrating Canada's Centennial of Confederation, and have advised the Centennial Office of their need for "dollar support."

There are also many businessmen and companies in the province with available promotional money, who are looking for a Centennial project.

One of the purposes of the Centennial Co-ordinator's office is to bring together the project and the sponsor, and Mr. Findlay will be happy to assist any business man or firm with this in mind.

Interested parties should contact him as follows: Mr. J.R.D. Findlay, Centennial Co-ordinator, 421 Legislative Building, Edmonton, Alberta, or by telephone, 229-3967, and he will be pleased to discuss the available project list and provide any other assistance possible.

PESTICIDE COMMITTEE STUDIES CHEMICAL USE

The Alberta Interdepartmental Committee on Pesticides (AICP) recently held its second meeting in Edmonton.

Appointed by the Hon. Harry E. Strom, Minister of Agriculture last March, this group of consultants form an operational, advisory and liaison committee for the provincial government, particularly the Ministers of Agriculture, Health, and Lands and Forests.

A similar committee in Ottawa co-ordinates federal activities in pesticide use and works with provincial groups across Canada. The various agencies work together on all aspects of pesticide use, providing a broad approach to the subject. This results in the proper and safe use of chemicals used for the control of pests and damage food and hamper the well-being of man and animals.

The AICP can be convened on short notice by the chairman, Dr. W.G. Evans of the University of Alberta's Entomology Department to examine all matters involving the use of insecticides, herbicides, fungicides and other agricultural chemicals used in Alberta. It also serves as a medium for the exchange of information on policies, programs, and operations of various agencies which may sometimes have conflicting interests.

Programs of current interest to the AICP include the testing of foods, feeds, and wild life for pesticide residues; urban spray programs that might result in pesticide contamination of adjacent farms, and the regulations of commercial pesticide applicators.

The Alberta Inter-departmental Committee on Pesticides is composed of provincial, university and federal specialists from the Departments of Health, Fish and Wildlife, and Agriculture.

INDIAN FAMILIES ACQUIRE NEW HOUSING FACILITIES

Twelve Indian and Metis families affected by the 1965 flooding conditions at Slave Lake are occupying new houses, provided under an emergency program financed through the Alberta Commercial Corporation, Department of Industry and Development. The program was instituted following appeals for assistance by the Ksepegemau Housing Co-operative Ltd. at Slave Lake. All 12 of the transportable housing units have been located temporarily on a five acre site outside the town limits.

Under the program, tenants rent the units from the co-operative, which is responsible for management of the modern low-rental accomodations.

Each unit contains two or four bedrooms with a central living and dining area, providing a total living space of about 600 square feet. The homes are equipped with a combination oil cooking and heating stove. In addition, since many of the families are large, double bunk beds have been placed in the children's bedrooms. Gendall Building Supplies Ltd., Edmonton, constructed the units at a cost of $55,225 or about $4,500 each.

HUSKIES DEFEAT ST. ANTHONY'S

The Drayton Valley Junior High School Huskies downed the St. Anthony Saints 31-9 in a basketball contest played in the St. Anthony school last Thursday. The game was played with good spirit and enthusiasm before a large crowd of the respective student bodies. For the Huskies, Bernie Frost and Lee Hurley played well each scoring 6 points, while Keith Sodergren played an outstanding game for the St. Anthony's team, also picking up 6 points. Both teams are entered in the newly formed six-school junior league.

Summary of Regular A.A.R.N. Meeting

Twelve members met Wednesday January 12th at 8:00 p.m. for the regular business meeting and election of officers for 1966.

Correspondence included two memos from M. Stoves, Nursing Counsellor. One was to remind us of the special general meeting to be held in Red Deer at 10:00 a.m. on February 4th, 1966 at which chapter representatives will vote on the propsed new bylaws which will put into effect the new structure of the A.A.R.N. To date, two delegates, M. DeCiccio and N. Schneider plan to attend. They will carry 3 votes. Provincial office will pay for one delegate and a motion was carried that our local chapter pay the expenses of a 2nd and 3rd delegate. The second memo consisted of the philosophy and objectives of nursing service in Alberta. The comments from nurses in this area are asked to be forwarded to M. Stoves prior to March 15th. This will be discussed more fully at the next meeting on February 9th.

Adopt a Patient chairman, M. Palmer reported that in addition to the monthly pocket book, a Christmas gift of perfume and stationery was sent to our patient. As we have not received any correspondence other than the original letter, a letter will be sent to the "authorities" to enquire if our patient has improved in any way.

Publicity chairman, H. Dahl reported that all newspaper clippings to the end of 1965 have been sent to Mr. LaBelle.

It was learned that C. Fluker will be leaving for the U.S.A. and the president expressed our appreciation of her participation in chapter activities.

The chair was then turned over to O. Trudel of the nominating committee who presented the proposed list of candidates. In addition to the slate there were two nominations from the floor but both nominees declined. The following executive was elected by acclamation: President, M. DeCiccio; Vice-President, H. Dahl; Secretary, N. Schneider; Treasurer, B. Johnson.

The president asked for volunteers for the committees of Librarian, D. Johnke; Programme, B. Orieux and R. Pratt; Publicity, H. Dahl; Adopt-a-Patient, M. Palmer. Any ideas and suggestions that will help these committees improve the chapter will be welcomed by the chairmen.

During lunch members discussed the proposed bylaws in order that our delegates can voice the opinion of the general group is in the description of an active member as it is now worded. The active member need not be in active practice if she pays an active fee and this, therefore, seems to be against the 2nd objective of the A.A.R.N. which is, in part, "to promote professional and protective service to the public and to elevate the standard of nursing practice." We feel that there should be a more clearly defined statement regarding the requirements of active membership.

FARM NOTES

Agriculture is still the largest single employer of Canadians. About 40 per cent of the working population in this country are connected with some type of agriculture. The need for highly trained scientific personnel in the fields of agri-business, research and government positions continues to increase.

The really happy man is the one who can enjoy the scenery when he has to take a detour.

Royal Purple Holds Regular Meeting

The December 7th meeting was attended by 27 members. The initiation of three candidates was set for January 4th. It was decided to help the B.P.O. Elks with the children's Christmas party. A donation was made to the St. John's Ambulance Society. Thirteen members accompanied the travelling gavel to Warburg. An enjoyable visit was had by all around a table laden with a delicious supper.

In place of the regular meeting on December 21st, the Senior Citizens were entertained at a turkey supper followed by a sing-song. A pleasant evening was had by all attending.

Despite the cold weather, the January 4th meeting was attended by nineteen members. Mrs. Meraw, Mrs. Logan and Mrs. Janzen were initiated and welcomed by the Order. Lady Rand gave a report of the December Turkey Bingo. Members were entertained with Bingo and lunch served.

Twenty-three members attended the January 18th meeting. It was decided to open charge accounts with the pop companies. The members agreed to purchase a half page add in the Frank Maddock High School Year Book, Scope. One delegate will attend the February 28th meeting for setting up a local committee to look after the distribution of Christmas hampers for the needy.

It takes 2,143 people to keep track of statistics for the Dominion Bureau of Statistics, according to the Dominion Bureau of Statistics.
